

## RingCentral Contact Center<sup>®</sup> MAX Agent Self-Service Training Program

Training on your terms

Training that gives you **flexibility** in how you learn Contact Center. Choose the best option or create a blended solution that meets your needs.

These highly rated resources are **available for free** whenever you need them.\*

The starting point for each option is the [Training Dashboard](#).

### RingCentral University

Learning paths created by our learning professionals to get the most out of Contact Center.

Resources covering topics for agents and supervisors that are learning how to use Contact Center.

Curated courses that enable admins to complete basic and advanced topics.

\*RingCentral University **requires** an active RingCentral account.

### Webinars

A series of webinars led by RingCentral Pros covering the required skills for using Contact Center.

Live sessions designed for agents and admins, where they can interact with each other and RingCentral Pros while learning about Contact Center.

Recorded sessions can be viewed on-demand by users and admins when you need them.

Select the **Contact Center** option to see available live sessions or on-demand recordings.
