

## RingCentral MVP Self-Service Training Program

Training on **your terms**

Training that gives you **flexibility** in how you learn MVP. Choose the best option or create a blended solution that meets your needs.

These highly rated resources are **available for free** whenever you need them.\*

### Get Started

Created with RingCentral customers this resource provides the essentials for users.

Videos and guides for getting users up to speed quickly.

Admins can share resources answering the most common configuration issues for users.

### RingCentral University

Learning paths created by our learning professionals to get the most out of MVP.

Resources covering basic and advanced topics for users learning how to use MVP.

Curated courses that enable admins to complete basic and advanced topics.

### Webinars

A series of webinars led by RingCentral Pros covering the required skills for using MVP.

Live sessions designed for users and admins, where they can interact with each other and RingCentral Pros while learning about MVP.

Recorded sessions can be viewed on-demand by users and admins when you need them.

\*RingCentral University requires an active RingCentral account.
